DR. SAMUEL GILBERT'S
Preparations.
DR. SAMUEL GILBERT, an celebrated
physician, has for the last twenty-five years, in the treatment
of chronic diseases,

Chronic Diseases,
the most successful Medical Practice in the South, has at last
discovered the cause of these diseases, and has prepared a
series of medicines, which, when taken in the proper manner,
will cure them in the shortest time, and without any of the
inconveniences of other remedies. It is, therefore, a most
valuable discovery, and one which will be of great service
to the suffering.

The Public
may rest assured that the medicines prepared under this
name, are of the very best quality, and in a highly con-
centrated form, and will be of great service to the
suffering.

Dr. Samuel Gilbert's
General Alternative
Acts directly upon the glands and mucous membranes, stimu-
lates the system, and restores the natural functions of the
body. It is, therefore, a most valuable remedy, and one
which will be of great service to the suffering.

Eruptions, Tetter, Ulcers, Scrofula, Jaundice
Gout, Chronic Inflammation
of the Bladder and Uterus, etc.
It is particularly useful in

SUPPRESSED MENSTRUATION

And all other diseases of the female system.

Dr. Samuel Gilbert's

maladies usually termed

Diseases of the Skin,
and which are particularly known as Chronic Eruptions, Tet-
ter, Pimples, Blotches, Scabs, Scalds, etc.

It will also kill ITCH and other local vermin which prey
upon the skin. It softens and detaches the crustaceous
matter deposited upon the skin, and cures the itching
and burning. It is, therefore, a most valuable remedy,
and one which will be of great service to the suffering.

Great Encouragement.—It will fill the
souls of the delegates to the State Convention
with fresh courage and hope to find that
the loyal militia bill and the loyal suffrage
bill have both become laws at the time of
their meeting. They need this great en-
couragement. Nashville Press and Times.

Shouldn't wonder of course the militia
will give you courage, just the same as an
armed host did to Benet Butler while in New
England.

BROWNLOW'S THE MAN.—The Nashville
Press and Times (radical organ) of the 15th
inst. says:

"Resolutions from county Republican
meetings come pouring in upon us. They
utter one enthusiastic cry for Governor
Brownlow's re-election."

Peabody's Donations.—The Boston Trans-
cript gives the following list of the recent
gifts of Mr. Peabody, the Massachusetts
banker.

Estimating the Mississippi bonds at half a
million of dollars, we believe the following
list of Mr. Peabody's donations approaches
correctness:

The Poor of London.....\$2,250,000
Town of Danvers.....50,000
Orphans' Asylum.....100,000
City of Baltimore.....100,000
Phillips Academy.....25,000
Massachusetts Historical Society.....20,000
Harvard College.....150,000
Yale College.....150,000
To the South.....1,500,000
\$5,150,000

COMMENDABLE.—In the State Senate, on
the 13th, Senate bill to increase the fees of
sheriffs came up, when the House Com-
mittee on Ways and Means submitted a bill in-
creasing the fees still more, which was
adopted and sent back to the Senate for con-
currence. As it now stands, registers are
entitled to the following fees: For register-
ing a deed for land, or each deed of con-
veyance, grant, or other assurance of
title, two dollars. For each additional tract
or town lot, fifty cents. For each additional
one hundred words, thirty cents. For reg-
istering transcript of judgment, one dollar.
For registering any other instrument, one
dollar and fifty cents. For search of books,
ten cents. For memorandum relating to
private corporations, two dollars. For each
copy of such memorandum, two dollars. For
registering a copy of petition in reference
to an incorporated town, one dollar. For
registering deed, or article of limited part-
nership, one dollar.

ALMOST AS BAD.—From the following para-
graph, which we clip from a Missouri paper,
it will be seen that Radical lawlessness is al-
most as bad in that State as it is in this:

"The House believes strong in Radical
measures. Six or eight Conservative Demo-
cratic members have been sent home on the
most frivolous pretexts, and several more are
patiently awaiting their turn. The Radicals
have it all their own way, no measure being
allowed to pass which emanates from a Con-
servative source. They have many among
them who are perfect slaves to the caprices
of their masters, and stand ready and will-
ing to do any work which may be designed
by them, without the least regard to hon-
esty, law or honor. How long this state of
things shall last I am unable to say, but I
fear until their majority is greatly reduced."

Don't Like It.—Col. Mat Dyer, a gen-
tleman of color, and forty years a citizen of
Madison county, in a late number of the
Jackson Whig, conditionally announces him-
self as a candidate for Governor in opposi-
tion to Brownlow. The Colonel does not
like the negro franchise law. He says:

"To Geo. Brownlow—Sir: I learn that you
and the lower house of your legislature have
passed a law to allow the colored people of
this State to vote. So far, so good. But, sir,
you have, at the same time, provided in the
law that they shall not hold office! Now,
what does such legislation mean? I am a
colored man, and have voted on my head, but
you and your legislature have put a bar
over my eyes. The darkness in Ten-
nessee, generally, will understand what you
are after, and will put their broad feet down
upon you."

This act reminds me of the case where a
white man and an Indian went hunting.
They had killed a fox, and were about to
divide it. The white man said to the In-
dian that he would do the fair thing,
made this proposition: "I'll take the
turkey and you may take the buzzard, or
you may take the buzzard and I'll take the
turkey." The Indian said, "I'll take the
turkey, but looking up, said to his sharp com-
panion: "Every time turkey for white man
and buzzard for Indian." (O, yes, you want
us to go voting with you, but every time
off for white man and vote for nigger.)

Protest.—The following persons, members of
the legislature, have entered their protest against
the passage of the negro suffrage bill:

J. S. BROWN,
W. W. COLEMAN,
J. M. HARRIS,
JAMES PARKS,
S. S. WARREN,
JAMES JONES,
F. A. LOUGHMILLER,
HENRY BIGGS,
S. L. COLVILLE,
R. E. LASATER,
JOHN LELLYETT,
HARVEY BROWN.

Their reasons for so doing, summed up in
brief, are:

1st. Neither the Legislature nor a conven-
tion has the power to disfranchise any per-
son qualified to vote under section 1, article
4, of the Constitution of the State.

2d. The Legislature cannot enfranchise
the negro, because he is prohibited from
voting by said section 1, article 4, and his po-
litical status has not been changed by the
amended constitution of Feb. 22, 1865.

3d. That the attempt to enfranchise him
by this bill, or by any other act of the Leg-
islature, is not within the power of the Leg-
islature, and all such acts are simple nullities
and void.

4th. That the bill itself is a most unjust
and arbitrary discrimination against the
native white man and white persons of for-
eign birth in the State, and in favor of the
negro.

5th. This discrimination is premeditated
calculated to produce strife between the
white and black race in this State.

"I am a great gun," said a type printer,
who had been on a spree for a week. "Yes,"
said the foreman, "you are a great gun, and
half-cooked, and you can consider yourself
discharged." "Well," said the type, "then
I had better go off."

The Bankrupt Law.—The Canton Amer-
ican Citizen thus speaks of the general bank-
rupt law, which, beyond doubt, will pass the
Senate of the United States at an early day:

"The bill will give great relief to the
